

## Participant's report to the National Nominating Authority and the National Contact Point

### Meeting report

In the three weeks after the event, please complete this report. It contains two sections:

1. **Reporting:** this is intended as a feedback on the event, on what was learnt, on how the event will affect your work and on how it will be disseminated. In addition to the ECML National Nominating Authority and the National Contact Point in your country the ECML will use the report<sup>1</sup> in the “Experts involved in ECML activities” section of each ECML member state website (please see <http://contactpoints.ecml.at>).

This section should be written in one of the project's working languages.

2. **Public information:** this is intended as an information on the ECML project and its expected value for your country. The content should be of interest for a larger audience. Thus it should link up to interesting publications, websites, events etc. which were discussed on the occasion of the workshop or which are relevant in your country. The public information should be a short, promotional text of about 200 words.

This section should be written in (one of) your national language(s).

### The completed file should be sent to

- the ECML National Nominating Authority and the National Contact Point in your country (contact details can be found at <http://www.ecml.at/aboutus/members.asp>)
  - and in copy to ECML Secretariat ([Erika.komon@ecml.at](mailto:Erika.komon@ecml.at))
- within the given deadline.

Projekt *FREPA for PARENTS: Involving parents in plurilingual and intercultural education* realizowany pod auspicjami Europejskiego Centrum Języków Nowożytnych w Grazu ma za zadanie wesprzeć nauczycieli pracujących z rodzicami uczniów z rodzin różnojęzycznych. Niezwykłą pomoc stanowi wcześniejsze narzędzie opisujące pluralistyczne podejścia dydaktyczne w edukacji różnojęzycznej (FREPA, Candelier et al. 2010), na którym projekt bazuje. Podczas warsztatu, w którym miałam przyjemność uczestniczyć, koordynatorzy projektu, jak i reprezentanci zaproszeni z różnych krajów członkowskich Rady Europy, mieli

możliwość wymienić doświadczenia, zaprezentować ćwiczenia do zrealizowania w klasie, jak i poza nią, umożliwiające lepsze zrozumienie i pogłębianie wiedzy na temat języków i kultur w otoczeniu szkolno-rodzinnym, integrując rodziców w edukację dzieci. Jest to projekt niezwykle cenny, szczególnie dla takiego kraju jak Polska, który zresztą jak każdy inny kraj przyjmujący dzieci imigrantów do szkół, powinien wiedzieć jak zaoferować profesjonalne warunki edukacyjne umożliwiające integrację środowisk odmiennych kulturowo i językowo. Niezaprzecjalnym atutem warsztatów jest możliwość powiększenia bazy rozwiązań dydaktycznych i dobrych praktyk pochodzących z różnych krajów w zakresie edukacji różnojęzycznej.
