

Effective Local Level Governance in Education

Warsaw
16-17 April 2012
Tracey Burns
CERI/ OECD

Effective Local Level Governance

- What is the role of local authorities and schools in the governance process?
- How can we make sure that local authorities and schools have the required knowledge and capacity to govern their systems?
- How can we ensure that local stakeholders are holding them accountable?

Next steps

Effective governance

- From the centre
- At the local level
- In multilevel systems

GCES Case Studies

- Netherlands
- Poland
- Norway
- 2013-2014 biennium
